

**REMARKS**

The amendments herewith are made solely to insert the sequence listing and to correct an inadvertent error in the title of the application. A Request to Correct Filing Receipt was filed on July 1, 2002 correcting the noted error, however, the preliminary amendment filed concurrently with the request omitted the correction to the title. This was pointed out by Kevin Little in the September 27, 2002 telephone conversation with Kristy Broesder, for which he is thanked for the courtesies extended.

It is respectfully submitted that the paper version of the sequence listing, filed on June 4, 2002 is identical to the computer readable copy of the Sequence Listing submitted herewith. A duplicate copy of the paper version of the sequence listing is enclosed.
